CASH EASY

Casheasy are a type of installment loan that can be accessed quickly to cover sudden personal expenses. Although casheasy are more accessible than some other lending options, they often come with short repayment periods, high interest rates and other step fees.

What is *Casheasy*?

This is a term loan that offers eligible active current account holders, instant access to funds ranging from 2250 up to 1,000,000 for a period of 12 months, anytime, anywhere with no documentation required.
